

Weekend Speaker

This year we look forward to welcoming Mark Fairhurst as our speaker! Mark is the Executive Director of CMS Queensland with Northern NSW. He has a passion for cross-cultural ministry working with CMS for 17 years helping churches and Christians to take their place in God's global mission. Prior to this he pastored a multi-cultural church in Sydney and fostered cross-cultural ministry across the region. He is married to Leanne and has two adult children.

Radical Discipleship

In the upper room, Jesus prepared his disciples for his coming death and resurrection and their future witness and discipleship when he would no longer be physically with them. Jesus' words in John 13-15 are deeply comforting and radically challenging for us, as we live in the age between his ascension and return. Join us, as we sit at the feet of our Master, and learn what it means to remain in him and bear fruit for the Father's glory.

FAQs

What if I can't afford it?

We don't want cost to be prohibitive for coming to camp. We're offering sponsorship for larger families (see inside). If you need additional help, please talk to Kirk Zylstra (kirk@christcentral.org.au).

How does the accommodation work?

There are 4-5 twin bunks in most rooms. We seek your feedback and take needs into consideration as we allocate rooms. Some families have a room to themselves, others share and there's also the option of single gender rooms.

Will my kids have anything to do?

Heaps! The outdoor and Saturday night games are great for a range of ages, there's plenty to do in free time (pool, canoes, sport, games with friends) and there's a kids' program / creche during the teaching sessions. For the younger kids, 'Bedtime Stories' together in the evening is a great way to finish the day!

What if I need some time to study?

We know this can be a busy time of year for students! This year there'll be a quiet room available from 4-6pm on Saturday for those needing to study or do assignment work.

Did you say Dance Party?

Yep! After the games on Saturday night there'll be a youth presented Dance Party for anyone who wants to turn up the dial on the fun for another hour!
